Friends of Hawaii Charities

Mental Health Kokua (MHK) received \$16,000 from the Friends of Hawaii Charities in June 2009. The donation is restricted to "Wellness House" a new HUD property that MHK is developing in Leeward Oahu. The Sony Open in Hawaii formed the Friends of Hawaii Charities in 1998, and has distributed more than \$9 million to Hawaii's non-profit organization during the last decade. MHK is a proud recipient and thankful to Sony for their support.

Atherton Family Foundation

Mental Health Kokua (MHK) received \$15,000 in April 2009, helping to support the renovation of MHK's new project in Ewa Beach called the Wellness House. The Atherton Family Foundation was established in 1975, a nonprofit corporation organized in the state of Hawai'i. The Atherton Family Foundation is now one of the largest endowed grant-making private resources in the State of Hawai'i devoted exclusively to the support of charitable activities. It perpetuates the philanthropic commitment expressed during the lifetime of Juliette M. Atherton and Frank C. Atherton, and of the family who have followed them. With humble appreciation, Mental Health Kokua thanks the Atherton Family Foundation for their contributions.

The Pettus Foundation

Mental Health Kokua (MHK) received \$5,000 in March 2009 in support of operating costs for the agency. The Pettus Foundation was started in 1960 in Saint Louis, Missouri by James T. Pettus. One half of the Foundation's charitable funds were distributed in Saint Louis and the other half here in Hawaii. Since 1993 the Pettus Foundation has continued to support MHK through a capital campaign, an endowment fund, toward computers and moving expenses for MHK administration office to a new home on Kapiolani Boulevard. Mental Health Kokua is so grateful to the Pettus Foundation for their support for over 16 years!

U.S. Air Force Chaplin's Office

For over a decade the Chaplin's office of the United States Air Force each month donates time and food to Mental Health Kokua's Safe Haven homeless outreach project in downtown Honolulu. Annually, the Chaplin's office sponsors the Safe Haven Thanksgiving dinner. Mental Health Kokua is blessed that the U.S. Air Force Chaplin's office has chosen Safe Haven with their priceless generosity.
